

Maybe don't you find out?

I'm talking about the things that should be...

Yes, don't worry.

This is enough for today. I'm sorry to make you wait till the end.

He shouldn't blame ourselves if the futon gets wet, right?

Although two people can sweat a lot.

Please stop agitating me

You know I've been holding back

Honestly

and take a shower

We should dry out the furor

I'm sure it'll be very delicious

Then let's have some shaved ice

It really is hot and it's so good
